APPROVAL TO MARK HEAT TREATED WOOD PACKAGING MATERIAL

Bergene Holm AS avd. Larvik, Sørlandske hovedvei 18, 3270 Larvik, with postal address Postboks 2060 Stubberød, 3255 Larvik, Norway is authorized by the Norwegian Food Safety Authority to mark wood packaging material (WPM) in accordance with the requirements of ISPM 15 'Regulations of wood packaging material in international trade'.

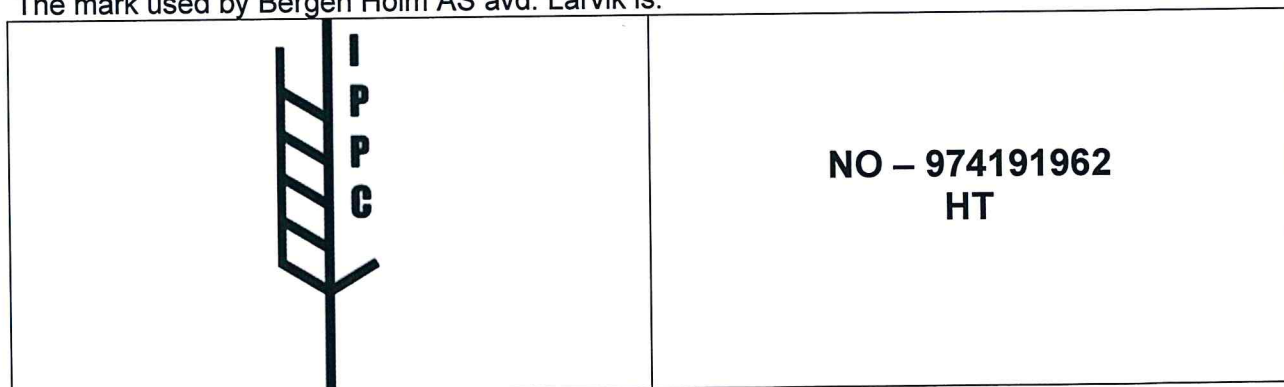

Wood packaging material marked by the company are made from debarked wood that has been heat treated to achieve a minimum temperature of 56°C for a minimum duration of 30 continuous minutes throughout the entire profile of the wood.

The company has established an internal control system in order to secure compliance with the requirements of ISPM 15. Verification of compliance with the requirements is carried out by the Norwegian Food Safety Authority through regularly audits.

The approval is valid as long as the company's registration number and the name is on the official list of approved companies. The list is available at:

http://www.mattilsynet.no/language/english/plants/approved_products_and_establishments/

The mark used by Bergen Holm AS avd. Larvik is:

Yours Sincerely

Kristin Helgeseen Torkveen
